

## OUR FIRM

Shechter & Everett, LLP (S&E) is a boutique firm specializing in forensic accounting and litigation consulting services throughout the State of Florida. S&E provides forensic accounting, valuation and consulting services in commercial and family law matters. The Firm focuses on providing exceptional personal attention and efficient solutions to its clients by providing innovative presentation of financial evidence in the form of reports, exhibits, and visual aids.

Philip Shechter, Michael Everett and their teams represent a dynamic combination of experience and specialized talent committed to excellence in serving you. With more than 60 years of combined experience, Shechter & Everett, LLP provides excellent forensic accounting and litigation support services to our clients.

## SCOPE OF SERVICES

Our range of services offered are as broad or narrow as you and your client decide it to be. Generally, our work in marital dissolution proceedings include assistance with the following:

- Compliance with mandatory disclosure
- Assistance in preparation of Financial Affidavits
- Organization, categorization, and review of production in a paperless system that is shared with counsel's office so as to avoid duplication of work
- Determination of additional discovery required to formulate opinions
- Lifestyle and need analyses
- Determination of income and ability to pay
- Business valuations of closely held companies
- Tracing of bank and brokerage accounts
- Analysis of transactions and reconciliations between all accounts
- Perform cash flow analyses to demonstrate the movement of funds received and disbursed

## EXPERTISE

Our team of professionals hold specialized certifications and credentials awarded by the American Institute of Certified Public Accountants and the Association of Certified Fraud Examiners. Our expertise comes from working with an extensive variety of engagements that call for specialized knowledge on accounting theories.

Our team has undertaken engagements in a variety of marital dissolution proceedings and other litigation matters. Our clients' net worth range from one million dollars to over one hundred million dollars with assets in industries such as construction, transportation and logistics, professional services, health-care, food service and entertainment, farming, manufacturing, distribution, and financial services.

### PHILIP SHECHTER CPA, ABV, CVA

Philip has more than 36 years of experience supporting clients in commercial litigation and marital dispute resolution cases. Recognized as an accounting expert witness, Phil's team of forensic accountants quickly deliver valuable support and testimony in federal and state courts. He has been qualified as a forensic accountant and business valuation expert more than 900 times in state and federal courts.

Phil also has extensive experience providing a full range of commercial dispute litigation services, helping businesses with such matters as bankruptcy and reorganization, breach of contract, business interruption, business valuation, commercial damages, family law, fraud investigations, lost profits and royalty disputes. For those involved in divorce matters, Phil also serves as a "neutral CPA." His groundbreaking work in this area has been documented in the AICPA's Journal of Accountancy.

### MICHAEL EVERETT CPA, ABV, CVA

Michael has more than 19 years of experience as a court-approved litigation expert in county and federal courts. A variety of clients depend on Michael's expertise regarding litigation support and valuation services. He specializes in forensic accounting and valuation services for high-net-worth matrimonial litigation cases.

Michael's expertise also include business valuations, lost profit analyses, business damage calculations, court preparation and expert witness testimony. For matrimonial litigation cases, he assists clients with income and expense analyses, assets distribution, alimony and child support schedules, asset valuations and tax planning.
